

WELCOME

Thank you for choosing to stay at Hedgehope Cottage - we hope you enjoy your time here. The cottage is a much loved family place, so please do treat it with respect whilst you are here and it would be much appreciated if you could report any breakages or damages as soon as possible so we can keep the cottage to the high standard that you and our other guests expect.

As we stay here often and use the facilities, we hope you find that the cottage is comfortable and well equipped for your stay. If, however, there is something you think would add to the offering, please do let us know. All comments and feedback can be sent to northumberlandstays@gmail.com during or after your stay and you will also receive a link for online feedback in an email.

EMERGENCY CONTACT

If you have any questions or problems during your stay, please contact Sam on **07962 189397**. We realise this is your treasured holiday time and we would not like it spoiled if something isn't up to standard or not working. We can generally get help to you quickly, but this is dependent on the tides!

TIDES

There is a tide table on the noticeboard in the kitchen. If this is missing, tide tables are available on the internet at www.lindisfarne.org.uk and on various noticeboards around the Island as well as on the electronic board near the main car park. Tide tables are also available to purchase at the Post Office.

Please stay safe and don't take unnecessary risks.
